

Annual Report

XAVIER PUBLIC SCHOOL

Academic Year: [2024–25]

1. Introduction

- **Xavier Public School, Dorkasai, Asanboni, East Singhbhum – 832102. Establishment year- 2012**
- **Vision/Mission-** Think out of the box and create a learning experience where the learner can interact with the content and their brains."–Rosalie Ledda Valdez Stella Adler once said, "You cannot afford to confine your studies to the classroom. The University and all of history is your classroom." This is precisely what Xavier Public School pursues to do. We endeavour to make the students have an out of the box Learning Experience. Studying from Xavier Public School is definitely like adding a feather to your hat.
- **Principal Message-** I welcome you to Xavier Public School. The vast human resource of our country needs to be realised so that every individual is able to achieve his fullest potential. Xavier Public School established on 4th February 2012 is a Co-educational School. The aim of educational programmes at Xavier Public School is to foster a spirit of academic excellence to encourage the good of society, critical thinking and imagination to invite change for the better.
- **“Year of Innovation”**

- 3) Abhishek Dutta scored 96% (Class- X) in the year 2023 and became the district topper. District- East Singhbhum

3. Curriculum & Teaching-Learning

- Our school follows the Central Board of Secondary Education (CBSE) curriculum, which is structured to promote holistic development and academic excellence among students. The CBSE pattern emphasizes conceptual learning, critical thinking, and continuous assessment, in alignment with the objectives of the National Education Policy (NEP) 2020.Special learning initiatives (Smart classes, activity-based learning, etc.)

During the academic year, several workshops were conducted both in-house and in collaboration with CBSE Centres of Excellence (CoEs). These sessions covered a wide range of topics including Experiential Learning, Learning Outcomes, Inclusive Education, NEP Implementation, Classroom Management, and ICT Integration.

Teachers also attended mandatory CBSE trainings to complete the required 50 hours of professional development, ensuring they stay updated with evolving educational practices and assessment methodologies.

4. Co-Curricular & Extra-Curricular Activities

We firmly believe in the holistic development of our students. Alongside academic excellence, we ensure that every child gets ample opportunities to explore, express, and evolve through a wide range of **co-curricular activities** conducted throughout the year.

The school hosted its much-awaited **Annual Sports Day**, filled with enthusiasm, discipline, and true sportsmanship. Our students participated in various track and field events, showcasing their physical strength, coordination, and team spirit.

The **Summer Camp** was another highlight, offering creative and skill-based workshops in art & craft, dance, music, yoga, and sports — keeping students actively engaged during the break.

Our grand **Annual Function** celebrated cultural diversity with dazzling performances, drama, and music, providing a platform for students to display their talents in front of parents and guests.

The **Science Exhibition** sparked curiosity and innovation, as students displayed working models, experiments, and projects that reflected critical thinking and scientific temper.

Every Saturday, the school conducts engaging **club activities, competitions, and hobby classes** that help nurture leadership qualities, creativity, and collaboration among learners.

All these activities are planned to encourage self-expression, confidence, teamwork, and all-around personality development, preparing our students to thrive both inside and outside the classroom.

5. Community Engagement & Social Work

- Cleanliness drives, plantation, or community service programs are also been done regularly. We believe in green and clean environment.
